

# Ending the Syndemic

September 10th & 11th, 2024 • Anchorage, Alaska  
Hotel Captain Cook, Downtown Anchorage & Virtually

This clinical training program will offer a free two day training for staff serving Alaska Native & American Indian people with a follow up ECHO collaborative to continue learning, knowledge sharing and support as you start treating. CE will be provided. In-Person Registration will be limited.

This program provides comprehensive information for clinicians to effectively address interrelated disease states of:

- Viral Hepatitis
- HIV & PrEP
- Substance Use Disorder
- Sexually Transmitted Infections

**Who Should Join:** Physicians, advanced practice providers, pharmacists, nurses, behavioral health specialists, chemical dependency counselors, medical assistants, Tribal community health providers and others interested in learning new skills are invited to attend.

[Information & Registration Here](#)

**Please note:** A room block will be available at the venue with a discounted/special rate for this event. We encourage you to register as soon as possible to receive booking information!

**Room block rates available until August 7th, 2024!**
